FALL 2025

## GIVE JESUS PROJECT

**August 17th– December 7th**

We have our BIGGEST GIVE JESUS PROJECT of the year coming up to GIVE EVEN MORE JESUS to kids here in the Anderson community! The next few months, all the HopeKids giving that goes into the GIVE JESUS buckets each Sunday will be going towards supporting the Operation Elf mission.

Operation Elf is ran through Upstreet Sidewalk Sunday School and they are a local outreach ministry that serves kids who live in high need areas by loving on them and sharing the truth of Jesus with them and their families. The money raised in the GIVE Jesus bucket will be used to buy toys and supplies that the kids will use to fill up Operation Elf boxes during our Sunday morning HopeKids services! Our goal that we will be challenging the kids to raise will be \$400!!! If kids reach this goal then we have told them they can pie Pastor Jordan, Lucy, and volunteers in the face as a prize!

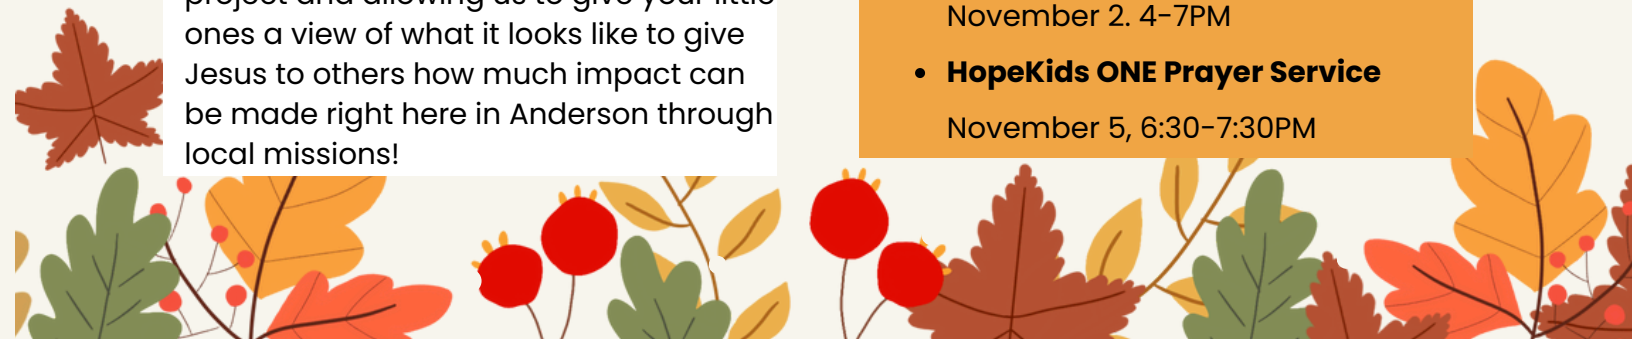

Thank you for partnering with us in this project and allowing us to give your little ones a view of what it looks like to give Jesus to others how much impact can be made right here in Anderson through local missions!

Parents and all HopeKids, come join us for a day of play at our HopeKids play day! This day is designed as a hang out for kids to grow in deeper community with one another through play as well as give them the chance to know our volunteers more that serve them each Sunday! We will also have a space set up for parents with coffee and donuts so you can sit together and have the opportunity to connect with other parents and grow in community as well! There are a few benches/seating located by the playground but feel free to bring a lawn chair with you if you'd like! There will be games and activities set up outside by the playground when you arrive! Also, this is not a drop off event so parents must stay with your kids throughout the time your child is there!
