

### About Upstreet Sidewalk Sunday School

UpStreet SideWalk Sunday School is a local outreach program that desires to reach children with the knowledge of knowing who God is, understanding His unconditional love, and realizing the future He holds for them.

SideWalk Sunday School by definition is street-evangelism with the point of entry being children who are at-risk. It is typically held in a parking lot, on the sidewalk, or on the lawn within apartment complexes and neighborhoods. The program often utilizes a custom trailer- complete with stage and sound equipment along with high energy games, music, and hope through Jesus Christ.

The goal is to reach our local children long before the needle hits their arm and the bottle touches their lips. To instill Christian values over crime, sex, drug and alcohol abuse; and to provide choice, hope and love to people through the power of God's word.

### About Operation Elf

We have an incredible opportunity to give hope and inspiration to already struggling families by giving gifts to local kids. There are boys and girls in our community who are desperately looking for HOPE, but they don't truly know what HOPE looks like. We believe it looks like you and me! Christmas provides an excellent opportunity to reach out and remind a local child that they have a purpose and God is their hope.
